PLANNING YOUR STORE'S TRANSITION

This is your detailed guide to managing the HCSB / CSB retail transition and launch of the Christian Standard Bible in **March 2017**.

Contact your B&H representative with any questions.

Transition Plan

PART 1: Sell-down Promotion for Current Inventory

We are pleased to offer an extended 40% off sell-down promotion to maximize your opportunity as we launch the new Christian Standard Bible translation.

Qualifying retailers will be eligible for markdown credit on all current HCSB products. Contact your B&H representative or Customer Service at 800-251-3225 for information on how to qualify for this special promotion.

HCSB Bibles are eligible for return privileges after the corresponding CSB Bibles arrive, but only after implementation of the sell-down promotion to reduce the number of returns.

KEY DATES

August 1, 2016:
64% discount on all HCSB reorders begins

August 1 -31, 2016:
HCSB Credit Forms due

September 1, 2016:
Start of 40%
SELL-DOWN SALE

Process and Recommendations

1. Prior to your in-store promotion, run a current inventory report for the Bibles listed on our HCSB Sell-down Event Credit Form.
 - All HCSB Bibles should be inventoried on HCSB Sell-down Event Credit Form
 - Your inventory will be credited at 50% of retail price and re-billed at a 64% discount—giving you a 40% margin
 - **All Credit Forms must be received by August 31, 2016**
2. **Submit your HCSB Sell-down Event Credit Form no later than 8/31/16** by email or fax
 - After your form is received and processed, you will receive 64% on all HCSB orders during this transition period
3. Order 40% off stickers (oracle # 006136356) as needed from B&H.
4. Sticker all existing inventory at beginning of promotion. Remember to also sticker new orders of HCSB product throughout the length of the promotion.
5. Create signage for the 40% off sale price or download from our website at CSBible.com
6. Place HCSB product in high-traffic promotional positions
 - Merchandise key product in front of store
 - Group sale products together in Bible section
 - Move sales products to top shelf for easy visibility

PART 2: HCSB Bible Returns

You shouldn't have mixed HCSB/CSB inventory of comparable Bible lines after the Christian Standard Bible launches in March 2017.

When each new CSB Bible line arrives at your store, we would like you to return remaining inventory of the corresponding HCSB product lines that the CSB edition is replacing. For example, when your order of CSB Study Bibles arrives, return all HCSB Study Bibles that remain on your shelves after the sell-down promotion. Do not return copies of the HCSB Apologetics Study Bible until after the CSB Apologetics Study Bibles arrive later in the summer.

We have one return form, which will have product divided into groups for return purposes.

Return each group at one time. Once you have pulled all of the appropriate HCSB Bibles, you may email or fax for a call tag. B&H will pay the freight on all HCSB returns.

Return Process

1. The HCSB Return Form will have all HCSB product sorted and listed in groups by eligibility date.
2. Fill out an HCSB Return Form for each group of returns and submit it to your B&H representative, or send via the indicated fax number to expedite processing.

Return Dates for Eligible Products

- Please make sure each group of eligible ISBN's are shipped from your store by the indicated deadline in order to receive a full refund.
