Based on a quantitative linguistic comparison of Bible translations using computerized statistical analysis, developed by Dr. Andi Wu of the Global Bible Initiative.

A man with glasses and a beard, wearing a grey hoodie, sits on a brown leather tufted sofa, looking down at an open book. A woman with long brown hair, wearing a grey cardigan, sits next to him, smiling and holding a black book. On the wooden coffee table in front of them are two white coffee cups with brown sleeves, a magazine, and a small vase with dried flowers. The background features a white wall with a grid of small holes and several colorful, teardrop-shaped objects hanging from it. A large window is visible on the right side of the frame.

ACCURATE.
READABLE.
SHAREABLE.

The Bible is meant to be read, understood, and shared.

That's why the Christian Standard Bible is designed to be a translation for everyone—a translation that new believers can understand and that every believer can turn to for lifelong discipleship. A translation accurate enough to take to seminary and clear enough to read to your kids.

3 Reasons to Choose the CSB:

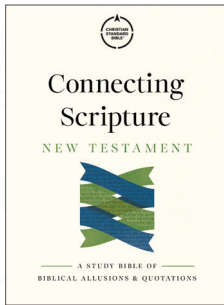

- 1 It's a translation for everyone.** Highly accurate for serious study and highly readable for the newest and youngest readers, the Christian Standard Bible is built for lifelong discipleship. It was created using Optimal Equivalence™, a translation philosophy that pursues both linguistic precision to the original languages and readability in contemporary English.
- 2 The CSB is trusted by churches, pastors, and teachers.** Since being published in 2017, the CSB has become one of the fastest-growing English Bible translations. It's endorsed by respected figures such as Derwin Gray, Nancy DeMoss Wolgemuth, Danny Akin, and Ben Gladd.
- 3 Each CSB Bible is crafted with diligence and intentionality.** Designed to help more readers faithfully open God's Word, the CSB publishes handcrafted editions, dyslexia-friendly resources, and many large print options. Several have even won industry awards: the ECPA Christian Book Award (*Explorer Bible for Kids* and *Oswald Chambers Bible*), ECPA Platinum Award (*She Reads Truth Bible*), and the ECPA Bronze Award (*He Reads Truth Bible* and *Tony Evans Study Bible*).

The Ancient Texts as They Were Meant to Be Understood

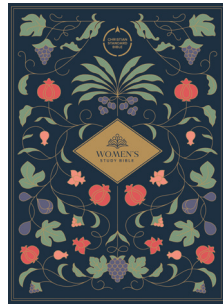

Developed by 100 scholars from around the world who represent 17 denominations, the Christian Standard Bible faithfully and accurately captures the Bible's original meaning without compromising readability. The CSB is a trustworthy text for both sermon preparation and serious study, translated straight from the biblical languages by scholars who love God's Word.

But the true measure of a Bible translation is not only superior scholarship. For a Bible translation to be trustworthy in modern English, it must faithfully communicate the authority and urgency understood by its original audience. Because the CSB is an original translation—not constrained by complex language structures or source text limitations of an earlier English Bible version—it expresses the meaning and beauty of the ancient texts with emotive power. Pastors and laypeople can feel confident sharing God's Word, knowing its truth will be communicated with clarity.

Endorsements

"I am deeply grateful for the Christian Standard Bible, because it is rigorously faithful to the original languages without sacrificing clear readability. This translation will help believers and non-believers around the world be able to read, understand, memorize, obey, and proclaim God's Word."

David Platt, *author, Radical and Counter Culture*

"For the past several years, I've been using the CSB for my personal reading and study. The accuracy and readability of this translation is right in line with Revive Our Hearts' goal to call women to freedom, fullness, and fruitfulness in Christ by elevating God's Word. That's why I've adopted it as my primary translation for teaching and writing."

Nancy DeMoss Wolgemuth, *author; Revive Our Hearts founder and Bible teacher*

"I tell my church that we must get into the Word so that the Word can get into us. The Christian Standard Bible helps us do that, because the translation is both highly trustworthy and highly readable."

Robby Gallaty, *Pastor, Long Hollow Church, Hendersonville, TN*

"As I travel around the country teaching the Bible to women, I encourage them to draw on the promises of God as their main source and sustenance for life. The Christian Standard Bible lines up perfectly with my core ministry goals—theological soundness and accessibility for the everyday person."

Lisa Harper, *Bible teacher and author*

"I like to use the Christian Standard Bible because it's a translation that's faithful to the Bible's original manuscripts, with oversight by some trusted partners in ministry. While it's highly literal to the original text, it's also remarkably clear for Bible readers today. I highly recommend the CSB as I encourage our church members—and all of us—to read and share the power of God's Word with others."

Kyle Idleman, *Teaching Pastor, Southeast Christian Church, Louisville*

"I'm passionate about teaching the Bible, especially to women, because I've seen in my own life how God's Word touches and transforms the heart. I'm using and recommending the Christian Standard Bible because I find the translation trustworthy, while also accessible to the women I have the privilege of teaching and encouraging."

Kelly Minter, *Bible teacher, author, and musician*

"I preach and teach from the Christian Standard Bible because of the accuracy, the precision, and beauty of the text. I'm excited to finally have one translation that is both faithful to the authorial intent of the biblical writers and written in English that communicates to this generation."

Derwin Gray, *Lead Pastor, Transformation Church, Indian Land, SC*

"Whether it is for devotional reading or for preaching, the CSB has quickly become my preferred translation. While some translations sacrifice readability for substance or substance for readability, the CSB sacrifices neither."

J.T. English, *Lead Pastor, Storyline Church, Arvada, CO*

DEVOTIONAL COMMENTARIES

The Christ-Centered Exposition Commentary Series

This practical and easy-to-read commentary is designed to help the reader see Christ in all of Scripture. More devotional than academic, the expositions are presented as sermons with explanation, application, and illustrations. Each section concludes with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and sermon preparation.

EXEGETICAL COMMENTARIES

The New American Commentary Series

The *New American Commentary* is for those who have been seeking a commentary that honors the Scriptures, represents the finest in contemporary evangelical scholarship, and lends itself to the practical work of preaching and teaching. This series serves as both a minister's friend and a student's guide. The *New American Commentary* focuses on the intrinsic theological and exegetical concerns of each biblical book while also engaging the range of issues raised in contemporary, biblical scholarship.

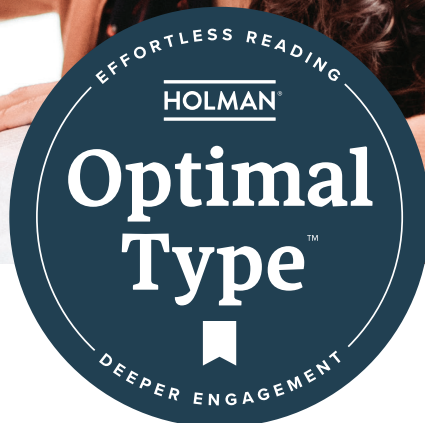

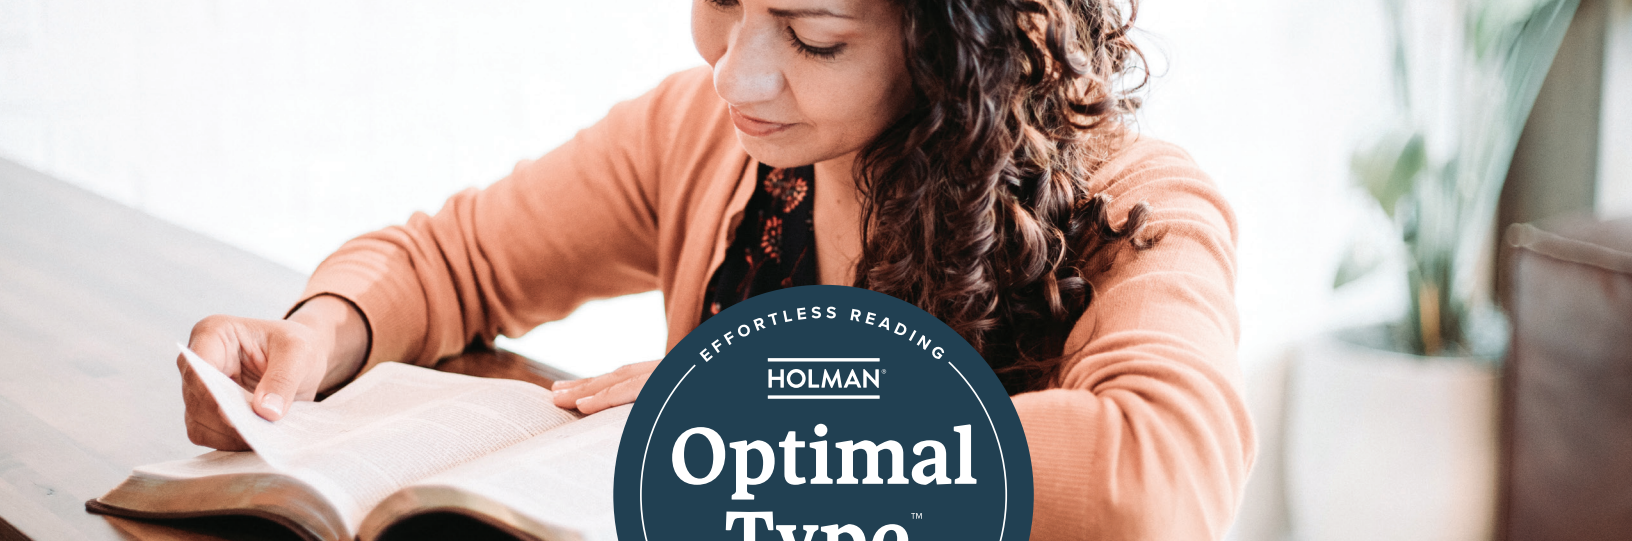

The Christian Standard Commentary Series

Taking an ancient-modern approach, the *Christian Standard Commentary* synthesizes the literary emphasis of the modern commentary tradition with the theological vision of Scripture dating back to the patristics. Balancing rigorous scholarship with practical application, the series demonstrates the unity of Scripture as it reveals the triune God and centers on the person of Christ. Readers will understand each biblical book's theology, its place in the broader narrative of Scripture, and its importance for the church today.

LANGUAGE COMMENTARIES

Exegetical Guide to the Greek New Testament

The *Exegetical Guide to the Greek New Testament* closes the gap between the Greek text and the available lexical and grammatical tools, providing all the necessary information for greater understanding of the text. The series makes interpreting any given New Testament book easier, especially for those who are hard pressed for time but want to preach or teach with accuracy and authority. Each volume begins with a brief introduction to the particular New Testament book, a basic outline, and a list of recommended commentaries. The body is devoted to paragraph-by-paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study.

The Bible is the most important book ever written, and every element of its design should enhance the reading experience.
